

WALTONMOBILE DPC

We Bring the Office to YOU!

COVID-19 RESPONSE TEAM

What are you doing to keep staff and students safe from a suspected Covid-19 case?

WaltonMobile Healthcare solutions provides wrap around services to meet all of your covid tracking and monitoring needs for your staff/students to return to school safely.

3 SIMPLE STEPS

1. Refer staff/student to WaltonMobile Healthcare solutions.
2. Our trained medical staff will conduct in home testing, daily health assessment calls & daily reports on students/staff being actively monitored.
3. Approval to return to work/school once cleared by our team.
